CORPORATE TRAINING SERVICES

Our corporate training programs cover a broad spectrum of skills essential for daily business operations. From fundamental communication skills to advanced strategies and change management, our comprehensive soft skill training caters to all your business requirements.

LEADERSHIP SKILLS

Enhance your strategic and organisational management skills with our all-encompassing leadership training program.

TEAM SKILLS

We bolster your employees' team-building skills, enabling them to unite their efforts as a cohesive team and accomplish company objectives.

CONVERSATION SKILLS

Our customised conversation skill training workshops empower you to communicate effectively and establish valuable networks with individuals.

PRESENTATION SKILLS

Overcoming the nerve-wracking fear of public speaking through the cultivation of self-confidence.

DELEGATION SKILLS

Unlock your organisation's maximum productivity potential through our effective delegation skills training programs.

ASSERTIVE SKILLS

Enhance your communication and interpersonal skills with our assertiveness training.

INFLUENCE SKILLS

Empower individuals with a deep understanding of influencing dynamics through our Influence Skills Training Courses.

NEGOTIATION SKILLS

Elevate your executives' career performance to the next level with our Negotiation Skills Training Programs.

INDUSTRIAL TRAINING

Our motto is to nourish individuals through proper training by developing communication skills, personality development training sessions, and finding out their real aspirations. We have experts from appropriate fields who can pull out your excellence through various training programs.

PEAKS (Professional Employment Application Key Skills)

Our core technical training program is tailored for students with theoretical knowledge seeking practical exposure to thrive in the corporate world. Expert instructors, who have excelled in their respective domains, will deliver the training.

LIKES (Learning Innovative Key Skills Employment Skills)

LIKES, Ourea's life-transforming program, enhances graduates' employability. It offers a unique opportunity to align your passion with the right career path, fostering passionate employees who contribute to the organisation's reputation and nurture successful professionals.

BEST (Master Spoken English)

Our Spoken English training sessions empower students and individuals with improved English language proficiency. Our experienced trainers are empathetic and seasoned in their respective domains.

CORPORATE ETIQUETTES

Our Corporate Training Program focuses on enhancing employees' productivity through corporate etiquette. We understand that one size doesn't fit all, so we tailor specific programs for employees, marketing professionals, and customer care and client relationship teams.

EES (Employee Enhancement Skill Training)

Ourea provides a platform for aspiring candidates to understand companies' requirements and cultivate the right mix of knowledge, skills, and qualities. Additionally, we offer confidence-building training through experiential learning for professionals seeking improvement in various aspects.

MAST (Marketing and Sales Enhancement Training)

The true magic in any sales lies in how your prospects feel when they engage with you. The 'how' of selling becomes irrelevant when the magic works! Do you want to be a magician who can sell anything under the Sun? MAST (Marketing and Sales Training) holds all the answers!

CUST (Customer Service and Relationship Training)

Our course provides candidates with essential customer service skills and enlightens them on effective customer handling through best practices and techniques. The module on effective complaint handling teaches processes and methodologies for resolving client complaints, enhancing customer care, and ultimately delivering satisfaction.

OUR IMAGE CONSULTANCY

Our program aims to enhance our clients' personal and professional image through improvements in appearance, behaviour, and communication. We emphasise boosting confidence and personality, especially in professional settings.

PSI (Powerful Self-Introductions)

Our program assists in building self-identity, fostering self-confidence, and enabling smooth conversations, which, in turn, enhances professional networking. You'll cultivate a charismatic impression to effectively engage with both challenging and influential individuals.

PSM (Professional Hair Styling & Make-up)

This program caters to corporate women, teaching them etiquette on maintaining their professional persona through adherence to corporate dress codes, makeovers, and valuable tips on face accessories. It also covers professional hair styling and skincare techniques.
